DEAR GUESTS: There is no pressure for you to participate in the Joy Box giving that we practice at EFC. This is an opportunity for those who consider EFC their church family to support the mission of our church.

EFC MISSIONS SUPPORT: We have been supporting the Lockwoods, Rinderknechts, and Schwarzens since the Fall. The Management Team chose to increase the giving from \$100 to \$500 per month for each of these families as the EFC giving has increased. Money has also been designated for the upcoming EFC trip.

MISSION TEAM MEETING: We will continue to pray from on Saturday's before the Gathering for our mission trip, 4:30-4:50pm.

EFC Family Gathering

It is a honor to have you join us for our Family Gathering. We are a church striving to be Jesus with skin - the physical presence of Jesus in the places we spend our days. We value children, authentic and free worship, and the precious people the Spirit draws to our church family. This time is for you, wherever you are in your spiritual journey, to freely worship Jesus Christ, listen for God's voice in Scripture, receive from the Holy Spirit, and fellowship with others who are learning to follow Jesus.

Prayer

Space and time is provided for you to seek the Holy Spirit and prepare your heart for worship. Any and all are invited. Pray silently or pray out loud. Be free to move, sit or kneel as you pray.

Family worship

Family worship is a time for all ages from the youngest to the oldest. Preschool childcare is offered from 4:30 through 7:00pm.

Sermon

While the adults listen to the sermon there are age-graded breakouts for the preschool, elementary, and middle schoolers.

Community fellowship

Coffee and refreshments are served in the social hall.

PERSONAL BIBLE STUDY

The following is provided to guide you in the study of the today's passage.

Listen to the sermon. What are your thoughts and observations?

Read Genesis 12.10-20. What happened to Abram because of this famine in the promised land of Canaan?

What is a past "famine" crisis that has accomplished God's good purpose in your life?

What is a "famine" you are facing right now?

Why do you think God revealed Abram's deceit to Pharaoh?

Read Genesis 13.1-18. What caused the conflict between Abram and Lot's herdsmen?

Who was responsible for the famine and Abram's great wealth and continues to be responsible for the challenging circumstances of our day?

So how will this impact your response to challenging circumstances now?

How did Abram demonstrate his faith in God by his response?

With what abundance has God blessed you? What is it revealing about your faith in God?

What has the Holy Spirit revealed to you in this week's study?
